In celebration of the 9th anniversary of the XinFeng Running Club, we will be hosting our annual XinFeng Birthday Run in Central Park on May 20th, 2025. To mark this special occasion, we are organizing a fun and inclusive event with pace groups ranging from 6-minute miles for the fastest runners to 13-minute miles for the more relaxed pace.

There will be group photos before and after the run, so don't forget to smile for the camera! We will also provide refreshing snacks like watermelon and other treats to help everyone cool off after the run.

But first, a little NBR history...

NBR is a community-based running club which grew from a longing for the camaraderie and motivation of having a 'team' to run with. There are plenty of running groups throughout New York City, but North Brooklyn Runners brings together runners in this area of all fitness and experience levels who might just want a bit of team spirit, a friend to run with, or to kick-ass at their next big race! Our mission is to create a network of support in order to foster improvement, both as individuals and as a team. We strive to maintain a low-pressure, inclusive and social atmosphere within the group, with an enthusiasm for running as our common denominator.

North Brooklyn Runners was established in January of 2009. Since then, our membership has grown to include a wide spectrum of abilities and experience levels. Our ranks include ultra-marathoners, beginner runners training for their first 5-10K, casual/recreational runners, and sub-elite athletes. Whether you want to join us just for the occasional run, or become involved in one of our many volunteer or leadership opportunities, we encourage all levels of participation.

Find out more about NBR by checking out our website, www.northbrooklynrunners.org, where you can review our current run schedule and learn about upcoming races. Or, just come out to one of our runs! We recommend the 9am Saturday Morning Bridge Run over the Williamsburg Bridge for new members. This is one of our most popular, low-key runs, and it's great for all paces. We get together for coffee afterwards, so you'll have a chance to chat with other members.
